2019 JULIA ROSÉ

Tasting Notes:

Our 2019 Julia Rose is intriguing and contemplative. We fermented clean racked juice in stainless steel tanks at low temperatures over the course of many weeks. What was new for 2019, was the addition of Mourvedre. Making up 6% of the blend, Mourvedre, adds a hint of earthy complexity to the otherwise jubilant composition. This wine has beautiful, soft aromatics with flowery flavors to match. There is bright acidity running throughout with a hint of limestone inspired chalk on the bone-dry finish.
