

## 2021 THREE SISTERS CUVÉE RED WINE

*Presents a bright, crimson hue in the glass. Intriguing aromatic profile with copious amounts of creamy stone fruit character with secondary notes of violets and toasted oak. The wine is supple yet nimble on the palate thanks to bright acidity. Juicy cherry flavors are complemented by those of sweet cranberry and tea tree bark. There is an elegant chalky texture that frames in the composition nicely.*

### COMPOSITION:

*57% Grenache, 21% Syrah,
