

2021 THREE SISTERS WHITE CUVÉE

Grenache Blanc offers a stable, acidic and slightly chalky base upon which we can layer more demonstrative wines. Portions of Clairette Blanche, Viognier and Marsanne that rounded out the aromatic, textural profile while adding some silky weight to the mid-palate. The resulting blend is beautifully balanced, delightfully playful and perfect as an aperitif or served alongside light hors d'oeuvres. Drink now through 2025.
