

## 2023 BABICORA MALBEC

*The 2023 Babicora Malbec opens with a vibrant nose of raspberry, bright cranberry, juicy plum, cherry, and a hint of vanilla crème. The mid-weight palate brims with lively fruit balanced by firm acidity and a subtle, savory minerality reminiscent of iron shavings. With time in the glass, a refined chalky texture emerges on the finish, adding elegance and depth to this expressive wine.*
