

2022 GLACIER RIDGE CHARDONNAY

Aromatics are very clean with notes of freshly cut grass, wet limestone, and hints of lightly toasted bread. Flavor profile shows elegant mineral notes alongside those of crisp nectarine with a hint of medium toasted oak spice. The presentation is very balanced with a nimble weight on the palate and refreshing acidity. The 2022 will be a versatile wine as an aperitif or enjoyed with a meal.

COMPOSITION:

100% Chardonnay
