2015 *JULIA* ROSÉ

Tasting Notes:

Our primary goal when blending rosé is to make it delicious! To us, rosé should be bright, playful and above all else, approachable. Our 2015 Julia Rose accomplishes this with the added bonus of being amongst the more complex rosé wines we've ever tried. The Petit Verdot portion really impressed us with its versatility. The vibrant nose of freshly cut grass and gooseberry notes yields to a creamy mouthfeel layered with lush fruit flavors. The lesser quantities of Syrah and Tempranillo were blended in for a balanced composition and clean finish. Chill this wine 50° and take a moment to gaze upon the beautiful pink hue while in your glass.
