2016 *THREE SISTERS CUVÉE*

Tasting Notes:

Our 2016 Three Sister's White wine is a stunning composition of aromas and flavors. The Grenache Blanc component essentially functions as a framework, but contributes alluring secondary notes and clean minerality in the wine. The flamboyant barrel-fermented Viognier is countered on the palate by the substantiate percentage of Picpoul Blanc, which provides this blend with fantastic acidity throughout. Even at a scant 1%, the Roussanne lends a degree of weight to the mid-palate giving it a more opulent mouthfeel. We hope you enjoy drinking this wine as much as we enjoyed making it!
